

Pine Barrens American Single Malt Whisky Batch No. 16

91
POINTS

Distilled from beer and aged for one year in new oak casks, this small-batch whisky is bright and distinctly fruity. The aroma is mild, mixing caramel with a hint of red fruit. The plush palate shows more red fruit and black cherry, drying to cocoa, leather, oak, black pepper, cayenne and clove. Quite a bit of dilution is needed to bring down the alcohol sting, which unfortunately fades out the lovely fruit and brings a more generic vanilla profile forward.
